

## **Preliminary itinerary for NAU in Denmark 2010 by Knud Ib Christensen**

- 10<sup>th</sup> August            **ARRIVAL** at Hotel Marina in Vedbæk.  
Take the regional train to Helsingør (Elsinore) from terminal 3 in Copenhagen Airport Kastrup and get off at Vedbæk railway station. I hope to pick you up there and drive you to the hotel.
- 11<sup>th</sup> August            **SYMPOSIUM**  
Exotic woody plant species – a threat to natural habitats in the Nordic region?
- Botanical Garden, Copenhagen**  
Tour in the national botanical garden of Denmark dating back to August the 2<sup>nd</sup>, 1600.
- Forest Botanical Garden, Charlottenlund**  
Many first-introductions to Denmark, and the oldest arboretum in the country.
- 12<sup>th</sup> August            **Borsholm Pinetum**  
Good private pinetum with unusual and rare conifers.
- Rusland (“Russia”)**  
Moor and forest with most of the commonly cultivated trees in Danish forestry.
- The Pinetum of Mogens Carlo Hansen**  
Good private pinetum with many conifers and some wintergreen hardwoods.
- The Arboretum, Hørsholm**  
The National Arboretum of Denmark.
- Jægersborg Deer Park** (if we have the time)  
Many old and named individuals of *Quercus robur*, Raunkiær’s *Crataegus* taxa, remnants from the first organised forest plantings in Denmark (von Langen’s plantations with *Larix decidua*, etc.).
- 13<sup>th</sup> August            **Stensbygaard, Stensbyvej 52, Stensved**  
The park of the manor of Stensbygaard owned by Allison and Niels Riegels is among the best and most varied of its kind in Denmark.
- Hesede Planteskole (Paradishave), Villa Gallinavej, Haslev**  
Tour in the recently reconstructed nursery – or rather arboretum. Many first-introductions to Denmark, e.g., *Pinus peuce* in 1859.

14<sup>th</sup> August

***Sorø Academy***

Tour in the park with an introduction to the history of the Sorø Academy.

***The Burser Garden at the Museum of Sorø***

Tour in the recently reconstructed garden of the renowned pharmacist and botanist Joachim Burser (1583-1639) who was also Professor at Sorø Academy.

***Forest of Suserup Skov***

Walk through a semi-natural, “untouched” species-rich deciduous forest.

15<sup>th</sup> August

**The NAU 2010 meeting ends after breakfast in the hotel.**
